

# TEAM 3637 SAFETY CONTRACT

I, \_\_\_\_\_ agree to follow the rules stated below:

- I will wear safety glasses when any physical work is being performed.
- I will tie my hair back if it goes past my shoulders.
- I will not wear hoodies with drawstrings, loose sleeves or dangling jewelry when working in the robotics room.
- I will get help from an advisor or mentor when using power tools.
- I will wear close-toed shoes when doing physical work.
- I will stay out of the way of moving parts.
- I will not touch the robot when it is on.
- I will not fool around when the team is working on robot.
- I will report **ALL** injuries and near misses to a faculty advisor or mentor.
- I will report unsafe conditions or behaviors to my team mates and an advisor
- I will help **clean up** the room when finished working.
- I will put my initials in the top right corner if I have read this.
- I will take caution when working with long pieces of material.
- I will report broken equipment to a mentor or advisor.
- I will not attempt to lift heavy materials or the robot alone.
- I am responsible for my own safety.

I agree to the strike/disciplinary policy outlined in the safety manual and safety presentation given to all team members at the beginning of each season.
